Brendan Tully - Consultant

Consulting Areas: Investigations

Experience

Mr. Tully conducts investigations as well as research and analysis in support of the firm's public interest litigation and on behalf of public entities in need of internal investigations into wrongdoing by employees and other controversial matters. Mr. Tully determines strategy and recommends investigative approaches, authors investigative finding reports, conducts witness and subject interviews and provides client advice.

- Determine strategy and recommend investigative approaches
- Author investigative finding reports
- Provide client advice
- Conduct witness and subject interviews

Related Experience

Prior to joining Renne Sloan Holtzman Sakai, Mr. Tully worked in the area of law enforcement for eleven years. As a Sergeant in the Grand Rapids Police Department he received numerous Letters of Commendation and Recognition Awards. His duties included the investigation of allegations of misconduct for Internal Affairs and the management of a team of ten officers, crime scene technicians and medical support staff. Mr. Tully also served as a liaison to the Watch Commandeer during critical incidents.

Education

University of Notre Dame, Indiana (B.A. 1994)
